71- Crawford St.
Newark, N.J.

Dear Mrs. Manley:

How are you and Mr. Manley?
I hope you all are Well in every respect.

Mrs. Manley I am writing you to ask you to Send me a Statement of the money the league Claim I owe them and who it Was Sent in by and What it is for.

As I have tried to Explain to all of you is that I knew I Was going to be blamed for everything but I am not interested in What the other umpires get only I Was asked to head their association because I Was told that by working for the league I Would be a lot of help to them in trying to get a better Service and thats all; I did not think that Would cause you all to

Severe relations With me of Course it is all Dictator Cum Posey's Ideas.

I talk to Mr. Manley and Pompez and told them Why I Was in it as I Was being Called a heel and that I didn't Want them to better themselves because I Was on Salary and Was Satisfied, and I thought I Would be retained on a Salary Basis as before.

I even told them the Prices Was to much but as the motion Was Put I was in the Chair and they Voted unamonsally for the Prices but with the Amendment that they Would drop them some as they did at the last meeting.

I am in hopes that I Will hear from you real Soon and that you all Will be Very Successfull in every respects

I am yours for better sports,
Fred D. McCray
